

Welcome to the 1000 Books Before Kindergarten Challenge!

How the Challenge Works:

- Each time you read a book with your child, color the picture of the book in your reading log. If you read the same book more than once, it counts each time!
- In order to redeem your prizes at the library, you will need to enter your books read at 1000books.mclidaz.org. An account is free and we will never share your information.
